## WORK HISTORY

Warehouse Machine Operator  
2018 - 2019

As an operator, I was tasked with operating a counterbalance forklift to help reach daily production goals.

Delivery Truck Driver/Helper  
2017 - 2018

I was responsible for the careful delivery of furniture and appliances to customers homes. The ability to interact with customers and attention to details were of key importance when performing deliveries.

Warehouse Machine Operator  
2014 - 2017

As an operator, I was tasked with operating a counterbalance forklift to help reach daily production goals.

## EDUCATION
